A. Write the name of articles / products you can put in each bin:

			
<div style="border: 1px solid black; border-radius: 15px; height: 200px;"></div>	<div style="border: 1px solid black; border-radius: 15px; height: 200px;"></div>	<div style="border: 1px solid black; border-radius: 15px; height: 200px;"></div>	<div style="border: 1px solid black; border-radius: 15px; height: 200px;"></div>

B. Plastic is not fantastic!

Plastics are relevant to the industry but it can cause problems in our environment. Look at the pictures. Explain the problem it brings to environment and write a possible solution.

You can do some research and, in pairs, complete the table.
