

## CLIL LESSON – MUSIC

### Lesson plan 1

**Lesson theme:** Musical instruments of the symphony orchestra

**School subject:** Music

**Grade:** 6.- 7.

**Content objective:** to teach pupils recognize some of musical instruments, get to know the division of musical instruments and find out what musical instruments symphonic orchestra is consisted of.

**Language objective:** to teach English vocabulary of musical instruments and words connected in meanings

#### **1. Introduction :**

*Teacher asks students what do children think is playing, what is the name of the type of orchestra*

*Romeo and Julie -Sergej Prokofjev*

[https://www.youtube.com/watch?v=bl9akyHz\\_wc](https://www.youtube.com/watch?v=bl9akyHz_wc)

*A teacher explain the topic of the lesson, he writes on the board the word SYMPHONY ORCHESTRA and asks students to explain the word and he also asks them if they know some musical instruments.*

#### **1. Starter, warming activity:**

*Brainstorming - talking in a group:*

Do you know any musical instruments ?

Do you play any musical instruments ?

Do you know which musical instrument is wind or string ?

What musical instruments from the symphonic orchestra do you know?

#### **2. Readig, preparing activity:** pupils work together in pairs, they look up words in the dictionary or e-dictionary, they write musical instruments they already know on the paper and they think about classifying them to four group

A. Wind instrumets    B. string instruments    C. percussion    D.symphonic orchestra

#### **3. Vocabulary pre-teaching on the pictures – teacher show them pictures of all instrumets from the box below or**

he can play this video:

Learning Music – Wind, String, Percussion Instrument for Kids(Smile and Learn English)<https://www.youtube.com/watch?v=Tde91GvEHV8>
